

APPLICANT'S RESPONSE AND REMARKS

Claims 15-38 and 40 were pending in the present application. Applicants acknowledge the Office has allowed claims 38 and 40. Applicants have cancelled withdrawn claims 15-31. Applicant has further cancelled claims 32-37 without prejudice and reserves the right to pursue the claims in a continuation application. Accordingly, claims 38 and 40 are in condition for immediate allowance.

Applicants' cancelling of claims 33 and 37 obviate the claim objections of record and Applicants request the Office withdraws the objections to claims 33 and 37. Applicants' cancelling of claim 32 obviates the Section 112, first paragraph rejection of record and Applicants request the Office to withdraw the rejection of claim 32. Applicants' cancelling of claims 32 and 34-36 obviates the Section 103 rejection of record, therefore, Applicants request the Office withdraws the rejection of claims 32 and 34-36.

CONCLUSION

In view of the amended claim set presented herein and the above remarks, Applicants respectfully request that currently presented claims be entered and allowed. Should the Examiner believe that anything further is desired in order to place the application in even better condition for allowance, the Examiner is invited to contact Applicant's representative at 973-660-6319.

Respectively submitted,
